## CLUB STUFF

Well a lot is happening which should make the Club even better. At a recent Board meeting the Board felt that the Club needs to get more people involved in the various projects and events we have. This is a great idea and one the Board will review at the next meeting

which will be held just prior to the regular meeting. Members can still come early and enjoy a dinner but cannot participate in the Board meeting. The regular meeting will review these recommendations and hopefully many people will volunteer for various positions. The Club can only be as great as the sum of

its members positive actions. We have been very successful in the past and with positive input and help from all the members we can only get better.

Come with ideas and a wiliness to help.
